

## CURRICULUM VITAE

**Rita Asplund:** PhD (University of Helsinki)

### Current employment

Research Director at the Research Institute of the Finnish Economy ETLA (Helsinki) with responsibility for the research programme Labour Market and Education Economics. For more information, please visit ETLA's web-site <http://www.etla.fi/eng>

### Other affiliations include

Docent in labour market economics for the Åbo Akademi University.

### Previous employment includes

University of Helsinki (temporary acting professor in economics), Swedish School of Economics and Business Administration (temporary acting professor in economics, lecturer), Åbo Akademi University (research assistant), Economic Planning Centre (research officer).

### Core areas of research

Has worked for many years on research projects concerning the economic significance of investments in human capital; wage determination and labour market institutions; individual labour market outcomes involving aspects of flexibility and dynamics such as individual mobility (in various dimensions and with special emphasis on the low-paid), adjustment to technological progress and skills upgrading and training. Additionally her research has focused on R&D, public funding to companies, intellectual capital, and the interplay between technology policies and labour market flexibility for improved company and national economic performance.

Major past and current research in labour market and education economics includes PhD thesis on education and wages 1993; coordinator of the EU-TSER funded PURE project 1998–2000; coordinator of the EU-IHP funded EDWIN project 2002–2005; coordinator of a NOS-S funded Nordic project involving crucial labour market and educational aspects 2003–2006; responsible for a large national project concerning evaluation of education investments in Finland (2003–2006); responsible for a large national project concerning pay structures in Finland (2007–2010); partner in three European Structural Fund financed projects concerning Finland, one on the labour market costs and effects of parental leave (2006–2008), one on labour market segregation (2007–2008), one on the role of new pay schemes for gender pay inequality (2008–2010).

### Past and **current** contracts with the European Commission

- Public Funding and Private Returns to Education – PURE (SOE2-CT98-2044) (co-ordinator);
- Measuring Intangibles to Understand and Improve Innovation Management – MERITUM (SOE1-CT98-1104) (partner);
- European Low-Wage Employment Research Network – LoWER (SOE2-CT95-3004) (partner);
- Developing Sectoral Strategies To Address Gender Pay Gaps (VS/2001/0538) (partner);

- Flexibility and Competitiveness: Labour Market Flexibility, Innovation and Organisational Performance – Flex.Com (HPSE-CT2001-00093)(partner);
- A European Research Arena on Intangibles – E\*KNOW-NET (STPN 2000-00005)(partner);
- Can improving low-skilled consumer services jobs help European job growth? (SHPSE-CT1999-00021)(partner);
- Education and Wage Inequality in Europe – EDWIN (HPSE-CT-2002-00108)(coordinator);
- Socio-economic and Occupational Effects on the Health Inequality of the Older Workforce –SOCIOOLD (QLK6-CT-2002-02292)(partner);
- Societal and Economic Effects on Quality of Life and Well-being: Preference Identification and Priority Setting in Response to Changes in Labour Market Status – EPICURUS (HPSE-CT-2002-00143)(partner);
- The Insecure Perspectives of the Low Skilled in the Knowledge Society – LoWER3 (CIT2-CT-2004-506480) (partner);
- Intangible Capital and Innovations: Drivers of Growth and Location in the EU – INNODRIVE (FP7-SSH 214576) (partner);
- [An inquiry into health and safety at work: a European Union perspective – HEALTH at WORK \(FP7- Health 2007 A; 200716\) \(partner\).](#)

#### **Past and [current](#) contracts with Nordic financing bodies**

- Changing Wage Structures and Wage Negotiation Systems: the Nordic Model Under Hard Pressure (NOS-S funded project involving all five Nordic countries) (coordinator);
- Challenges of Nordic labour markets: a polarisation of working life? (funded by the Nordic Council of Ministers) (partner);
- [Youth unemployment in the Nordic countries – An analysis of similarities and differences in patterns and underlying factors \(funded by the Nordic Council of Ministers\) \(coordinator\).](#)

#### **Acts as National Expert in**

- the ÖSB/IRS consortium for the project “Organisation of exchange of good practices on gender equality” (Tender DG EMPL No. VT/2010/027);
- the Institute for Advanced Studies consortium for the project “Development/Maintenance of the Labour Market Model” (Tender DG EMPL/D/1 ref. No. VT/2010/010).

For more information on the above projects, please visit ETLA's web-site at the address: <http://www.etla.fi/eng/tutkimushaku.php?id=1>
