**DOCTORATE THESIS**

Essays on the Impacts Technology Development and R&D Subsidies

Committee: Professor Pekka Ilmakunnas (Chairperson), Professor Aki Kangasharju (Opponent)

Date Defended: April 25, 2008

**LICENSiate THESIS**

Title: Financial Factors and Investment Behavior of Manufacturing Industry – Econometric Analysis with Panel Data.

Committee: Professor Pertti Haaparanta (Chairperson), Professor Pekka Ilmakunnas, Docent Jouko Vilmunen

Date Defended: March 16, 2000

## **OTHER COURSES**

Finland 2015 - Finnish Futures. The Finland 2015 programme aimed to develop the knowledge, skills and networks of decision-makers in our society so that they can handle the challenges facing Finland in the future.

Economic Policy Training: The aim of economic policy courses is to disseminate up-to-date information about the economy and economic policy, to hone the skills of participants to use and develop this information.

## **AWARDS**

Yrjö Jahnsson Foundation 1997, Research grant

Yrjö Jahnsson Foundation 2000, Research grant

## POSITIONS HELD

**Deputy CEO**, Etlatieto Ltd (The subsidiary of ETLA - The Research Institute of the Finnish Economy ), January 2016-present.

**Research Director**, ETLA (The Research Institute of the Finnish Economy), Helsinki, Finland, January 2013-2015. Design and plan research projects. Responsibilities include applying for funding for the projects. Undertake and coordinate research projects. Ongoing studies: Value creation in global value networks and the role of intangible assets in value creation.

**Head of Unit**, ETLA (The Research Institute of the Finnish Economy), Helsinki, Finland, January 2002-2012. Design and plan research projects. Responsibilities include applying for funding for the projects. Undertake and coordinate research projects. Worked on research projects focusing on: Offshoring, multinational enterprises in the Finnish innovation system, the relationship between foreign and domestic R&D operations and Nokia's role in the Finnish economy.

**Researcher**, ETLA (The Research Institute of the Finnish Economy), Helsinki, Finland, 1996-January 2001. Worked on research projects concerning the role of financial factors in capital investment, R&D investment, corporate governance and internationalization of firms, Nokia in the Finnish economy, mergers and acquisitions and internationalization of R&D.

**Research Assistant**, ETLA (The Research Institute of the Finnish Economy), Helsinki, Finland, September 1995 - 1996. Assisted the Managing Director Pekka Ylä-Anttila on a research project focused on the internationalization of technology-intensive firms. Participated also in data collection and other research projects.

**Software designer**, Tietotili Ltd, Helsinki, September 1990-May 1996. Designed and programmed a large-scale software using the database and software tools by Oracle. The purpose of the software was to undertake invoicing, to control working time and to manage agreements with customers. Furthermore, I was responsible for managing and setting up all of the company's hardware and software. Worked as a system administrator (IBM AS/400 and SCO-Unix).

**Software designer/programmer**, Dynatec Ltd and Juha-Viivakoodi Ltd, Helsinki, 1989-December 1990. Developed, programmed and implemented a number of bar code applications for customers using programming languages such as Pascal, TCAL, Dbase and UBASIC. Trained customers to use software.

## **OTHER DUTIES**

**Member of the board** of Helsingin Sanomain säätiö (Helsingin Sanomat Foundation).

**Member** of Management and Economics division of Scientific Advisory Board for Defence (MATINE – Maanpuolustuksen tieteellinen neuvottelukunta, HT-jaosto).

## **ADDITIONAL EXPERIENCE**
